LETTER OF INTENT

Date: 05.08.2026

To whom it may concern,

I am writing to express my sincere interest in participating in the project *Documentation, Digitization, and Exploration of Ukrainian Linguistic Diversity (DoDiEx)*.

I am an Associate Professor at the Department of Ukrainian Language, National University of Kyiv-Mohyla Academy (NaUKMA). Our department holds an extensive audio archive compiled over the course of fifteen years of students' dialectological fieldwork practices, comprising approximately 300 hours of recordings of Ukrainian dialect speech from various regions.

I would be happy to collaborate with the DoDiEx team and to contribute this archive to the project. It would be a great pleasure for me to see these recordings incorporated into a larger dialectal corpus and made available to the broader research community within the framework of the project.

I look forward to the possibility of cooperation and am ready to provide any further information about the archive that may be needed to facilitate its inclusion.

Sincerely,

Liudmyla Dyka

Associate Professor

Department of Ukrainian Language

National University of Kyiv-Mohyla Academy (NaUKMA)
